

OUR TOOLS

Our fleet includes vehicles and equipment capable of handling most traffic control set-ups on private or public thoroughways. All vehicles are outfitted with flashing light units and 360 degree flashing amber lighting.

All signage is maintained to meet provincial standards as set out in the Nova Scotia Traffic Control Manual.

OUR TEAM

We take tremendous pride in our team. In addition to all on-going training and safety tools, all personnel are outfitted with full reflective vest, cuffs and CSA approved hard hat and safety footwear. We encourage diversity and team spirit.

MISSION

To provide leadership, innovation and expertise in traffic control and safety management, in turn providing our clients with a professional service, ensuring the safety of worksite personnel and the travelling public.

CORPORATE OVERVIEW

Bourque Security Services is a locally owned and operated, full service private security and traffic control firm.

We provide traffic control service for a diverse spectrum of clients through highly qualified, well trained and certified employees. Our operational headquarter is in Halifax, with client services provided throughout the province of Nova Scotia

We are an ever-evolving firm that continually strives to improve our services while adhering to (and exceeding) industry standards. The safety of our employees, our clients and the general public is paramount.

Bourque Security Services maintains a core commitment of value and reliability in all delivery of service. We are fully bonded and insured.

SAFETY AND TRAINING

We have a primary responsibility for Health and Safety with compliance to legislation, regulations, codes of practice and safe operating procedures by demonstrating within the workforce a genuine concern for Health and Safety.

Our full-time staffing compliment includes:

- Construction Safety Supervisor
- Certified Province of Nova Scotia TCP/TWS Instructor*
- WHMIS Instructor

**Training quote is available on request.*

We encourage and support staff development and invest in training at all levels.

- First Aid
- Diversity Training
- Talk Techniques
- Violence in the Workplace
- Harassment
- Complaint Resolution
- Occupational Health and Safety Committee

TRAFFIC MANAGEMENT PLANNING

Our team liaises with clients to coordinate the most effective and safest traffic management plan prior to all work being conducted.

Bourque Security Services can assist with pricing contracts at the pre-tender stage through to implementation of all aspects of traffic management.

Excellent working relationships have been established with municipal and provincial authorities. We are familiar with each agency's specific requirement, thus ensuring timely approvals with the submission meeting the agency's requirements.

PRICING

We commit to providing superior, reliable, cost effective service to our clients. Short term or long term, we are willing to negotiate an arrangement that is best situated to our client's requirements.
